

Ring of Fire

Earth wreathed in volcanoes of the "ring of fire."

*Jerusalem shall be inhabited as towns without walls
for the multitude of men and cattle therein. For I,
saith the Lord, will be unto her a wall of fire round
about. – Zechariah 2:4-5*

An inverted take on the Ring of Fire. More than 300 volcanoes, usually thought of as surrounding the Pacific Ocean, are shown here bounding the major continents. The map is an azimuthal equidistant projection centered in Algeria. A similar map on a different projection appears on the [2012](#) card.
